

Minutes of the BIGWILL Society meeting of 18 May, 2013

The meeting was called to order by President Sandra Michaels at 10:05. After the Pledge of Allegiance, board member reports were called for. Our treasury now has \$2,999.52, per John Bierlein.

No old business remained from March.

New business began with the call for a director, to fill the spot vacated by Richard Gilbert, who had volunteered to take the vacant secretary position after Sue Curtis' resignation. While not resolved at the meeting, Al Munn volunteered for that position and was confirmed by the board in an online vote as of May 28th.

A tour of London was announced for next year, to be run by former president of BIGWILL Ann Wells and Barbara Baker. This will take place from 5/28/14 to 6/5/14. Contact info is Ann@wellsresearch.net

Past president Roger Higgs issued an open offer to investigate requests for others at the Allen Library in Fort Wayne while he attends the FGS meeting there.

The meeting then turned to Maureen Brady's presentation and adjourned thereafter.
