

Minutes of the BIGWILL Society Meeting May 17, 2014

The meeting was called to order by President, Maureen Brady at 10:00 with 28 members present. After the pledge of Allegiance, board member reports were called for.

No old business remained from March.

New business began with the announcement of Rita Sullivan who will fill the remaining Director position, and Arlene Basten who will fill the Secretary position.

Announcements were made about pending genealogical conferences including the Genealogy Inside Out seminar being held by MCGIS on July 19, 2014. Also, Ancestry.com is currently offering a 30% discount through AARP.

After the announcements, Maureen Brady introduced Dr. Daniel Hubbard who gave a presentation titled "Developing a Sixth Census: Finding More in the Census than Meets the Eye" where he explained:

- Why every census record is important
- State Census Records
- Other Census records
- UK census records
- A variety of websites available for various years and locations.

The meeting was turned back over to Maureen Brady and adjourned at Noon.
